

IC BUS ANNOUNCES 2017 SCHOLARSHIP WINNERS

Awards Recognize Exceptional Students from Families of IC Bus Dealership Network

LISLE, Ill. – August 31, 2017 – IC Bus today announced the eight college students who will receive the annual IC Bus Scholarships. Each year, IC Bus awards postsecondary scholarships to deserving students—who are family members of dealer’s employees—across the country. The scholarship program is a collaborative effort between IC Bus and its dealers to support local communities by giving funding to students pursuing a college degree.

“Each year, it is our honor and privilege to give IC Bus dealer employees and their families an opportunity to develop their career aspirations through this scholarship program,” said Trish Reed, vice president and general manager, IC Bus. “At IC Bus, we value the importance of education and we proudly support the entire spectrum of learning from transporting over 15 million students a day on our school buses to helping fund college completion.”

This year’s winners and their dealer representation include three memorial scholarship recipients*—to honor the leadership of past influential IC Bus dealer principals:
