

NAVISTAR'S PARTS DISTRIBUTION CENTERS TOP INDUSTRY'S BEST THREE YEARS RUNNING

Lisle, Ill. (May 11, 2020) – Two of Navistar International Corporation’s (NYSE: NAV) parts distribution centers have been awarded Top Performing Warehouse recognitions by industry solutions advisor Carlisle & Co.

The Edmonton, Alberta Parts Distribution Center (PDC) topped the list of Top Performing Warehouses in the Truck and Heavy Equipment category for the past three years. The Queretaro, Mexico PDC was named third-place honoree, ranking within the top three Top Performing Warehouses for the third consecutive year.

“We are extremely proud of our PDC teams in Edmonton and Queretaro,” said Charles Lester, director, North American Distribution, Navistar. “For these two PDCs to be recognized as the elite Top Performing Warehouses for the past three years showcases Navistar’s dedication to our uptime promise, ensuring customers are at the center of everything we do.”

Carlisle & Co.'s metrics-driven Top Performing Warehouse Awards recognize warehouses that perform in the top of their class to provide high quality parts availability to their customers in an efficient and productive manner.

"It's an extreme honor to have our PDCs continuously recognized by Carlisle & Co. as the Truck and Heavy Equipment industry's best," said Josef Kory, senior vice president, Parts, Navistar. "The Navistar parts business is honored to serve our customers in the best ways possible and is committed to discovering solutions to further improve parts availability and enhance total cost of ownership."
