2024 IC Bus Scholarship Program
Congratulations Graduate

Lisle, ILL. (September 19, 2024) – Today IC Bus, LLC (IC Bus) announced 15 recipients of its annual IC Bus Scholarship. The scholarships, which are awarded to family members of employees of IC Bus® dealers throughout North America, is a collaboration between IC Bus and its dealer network, validating their shared commitment to education and building our communities.

This year, IC Bus received a total of 26 applications from talented and deserving students. After a rigorous selection process, the following 15 students received scholarships of \$5,000 towards their continuing education:

- Olivia Stone – Ascendence Truck Centers, Marshfield, Wis.
- Caleb Higginbotham – Bluegrass International, Georgetown, Ky.
- Rylee Taylor – Cumberland International, Lebanon, Tenn.
- Kelcie Herrmann – Hill International Trucks, Canton, Ohio
- Madelyn Ross – Leeds Transit, Elgin, Ontario
- Michael Bruce – Leonard Bus, Deposit, N.Y.
- Paige Bruce – Leonard Bus, Deposit, N.Y.
- Paige Crabtree – Midwest Transit Equipment, Nixa, Mo.
- Torrin Strange – Midwest Transit Equipment, Whitestown, Ind.
- Loren Thieneman – Midwest Transit Equipment, Whitestown, Ind.
- Emma Heap – Midwest Transit Equipment, Swansea, Ill.
- Jason Parkins – Silver State International, Sparks, Nev.
- Reece McCullough – Sun State International Trucks, Tampa, Fla.
- Hayden Breal – Ward International Trucks, Mobile, Ala.
- Kaylin Ahart – Worldwide Equipment, Cross Lanes, W.Va

“IC Bus is thrilled to support these exceptional students as they pursue their education,” said Justina Morosin, Vice President and General Manager, IC Bus. “IC Bus believes in the power of education to transform lives, just as our sustainable mobility solutions are improving the communities we serve. These scholarships are a testament to our desire to foster the next generation of

leaders. With the help of these scholarships, I am confident that these recipients will continue to excel and shape our world.”

IC Bus is dedicated to supporting education and improving the communities where our employees live and work through scholarships, technician training programs, equipment donations, volunteer opportunities, and sustainability.
