Fleetrite introduces industry-leading 18-month warranty

LISLE, Ill., June 17, 2025 /[PRNewswire](#)/ -- Fleetrite® branded parts now come with a standard warranty of 18 months.

Building on a 50-year track record of proven quality, Fleetrite is further cementing its commitment to quality and customer satisfaction by providing peace of mind with every high-quality, all-makes commercial truck and bus part the company sells.

Each Fleetrite part is engineered to meet or exceed original equipment manufacturer (OEM) standards and is now backed by an industry-leading warranty. Parts purchased on or after April 1, 2025, at any International® dealership, IC Bus® dealership, Love's and Speedco Travel Stop, or Fleetrite store in the U.S. or Canada, come with a minimum 18-month, unlimited mileage warranty**.

"We are thrilled to announce an extension of our parts warranty from 12 to 18 months," said Fabio Souza, executive vice president, Service Solutions, International*. "This change reflects our unwavering commitment to quality and reliability, ensuring our customers receive the best possible support for their fleet needs. This longer warranty period is a testament to International's commitment to providing an unrivaled customer experience."

If a Fleetrite part fails due to defects in material or quality, it will be replaced free of charge by any authorized dealer location. If the part was installed by an authorized dealer location, both the replacement part and labor to install it will be covered. If the part was not installed by an authorized location, only the replacement part will be covered.

Customers across the U.S. and Canada can find anything from brakes and filters to batteries and shock absorbers or any of the more than 60 unique

products available at more than 700 locations across the U.S. and Canada. Customers can also shop online through RepairLinkShop.com.

In addition to the change in the standard warranty, the Fleet Charge® program is offering 2% credit back on Fleetrite purchases for select customers from April 1 to December 31, 2025. Eligible purchases can be made through RepairLink, International or IC Bus dealers, Fleetrite stores, or participating Loves or Speedco Travel Stop locations. Visit FleetCharge.com for more information.

"In addition to reliable parts and guaranteed pricing, we're excited to offer this 2% account credit incentive that customers can put back into their businesses," added Souza.
