Navistar Begins Trading on Pink Sheets

Warrenville, Illinois - February 13, 2007
– Navistar International Corporation will begin trading tomorrow on the over-the-counter market commonly known as the “pink sheets” under the symbol NAVZ following its suspension from the New York Stock Exchange at the end of trading today. The company’s preferred stock will trade under the symbol NAVZP

Trading on the pink sheets will continue while Navistar pursues the appeal it announced last week of the New York Stock Exchange decision to suspend trading and delist the company because the company's completion of the restatement of its fiscal 2005 financial statements will extend beyond the suspension date.
