“We appreciate the value created for IC Bus customers through the long term relationships we have with our dealers,” said Trish Reed, vice president & general manager, IC Bus. “The companies receiving this award are world class dealerships striving to continuously improve their operations, customer support and community engagement.”

The awards are based on dealer performance in several key areas in 2016, including growing market share and exceeding annual sales plans. In addition, dealers were required to meet community service requirements in order to be eligible to receive recognition.
